Unshaken Testimony

Time is the test of truth. And Doan's Kidney Pills have stood the test in St. Johnsbury. No St. Johnsbury resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

A. L. Roy, 17 St. Mary street, St. Johnsbury, says: "I have used Doan's and secured relief from them. I was troubled with distressing pains across my back and when I would straighten up I could hardly catch my breath. My kidneys were disordered and the secretions were highly colored and contained a cloudy sediment. I used kidney remedies but got no relief until I tried Doan's Kidney Pills." (Statement given October 29, 1916.)

On May 19, 1920, Mr. Roy added: "Doan's Kidney Pills are every bit as good as they were. I have used them several times and I have not seen them fail. I am very glad to confirm my former statement."
